Mississippi State University Foundation is prohibited from declaring or confirming the estimated value of a donor's non-cash gift; the donor alone must substantiate the fair market value for his/her own tax purposes. The donation of services, although very valuable and much appreciated, is generally not considered deductible by the IRS. The IRS requires taxpayers to file Form 8283 for all non-cash gifts greater than \$500. Form 8283 should be filed with your tax return for the year in which you contribute the property and first claim a deduction. Please consult your tax advisor in determining the full tax implications of your gift.
